

A still life composition on a white surface. In the center-left, a dark grey letterboard with a white border displays the words "HAPPY FATHERS DAY" in white, three-dimensional block letters. To the right of the letterboard is a white ceramic mug filled with a frothy, light brown beverage. In the bottom right corner, a pair of brown-rimmed glasses lies on the surface. In the top right corner, a cluster of pink and orange orchids is arranged. The overall scene is brightly lit, creating soft shadows.
